20/12/2023	Proposed gift for Landcare Network Chairs	Benefit	Goulburn Broken CMA	\$100 gift card for the 8 volunteers who attended the NRM Chairs Volunteers Network meetings during 2023. The gift is budgeted for, provided for business purpose which includes celebrating achievements, and costs are proportionate to the benefit and is considered reasonable in terms of community expectation. There is no conflict of interest as the NRM chairs are not for profits and volunteers. There are no other groups or committees that we support that we can identify which would cause inconsistencies in our approach, because other groups such as SIRPPIC, FEWG, Drainage Working Group receive a sitting fee while NRM chairs do not. This is a once off gift to celebrate achievements.	Once off thank you for attendance at Network Chairs meeting for 2023. Travel and voluntary time. Non-paid attendance at quarterly meetings. Travel up to 1.5-2hrs one way to each meeting	\$ 100.00	Accepted
