Woka Walla Natural Resource Management

CARING
FOR
OUR
COUNTRY

Woka Walla is a Yorta Yorta Nation Aboriginal Corporation (YYNAC) owned and operated business. This commenced as a project through the Australian Government Caring for Our Country program and Goulburn Broken CMA in 2011.

'Woka' means land and 'Walla' means water in Yorta Yorta Language

Woka Walla's Vision

Woka Walla's vision is to have Yorta Yorta and other Aboriginal people participating in real economy, real jobs and real development through a successful on-country YYNAC led procurement business with strong and innovative partnerships in place.

Why choose Woka Walla?

- For being connected to Yorta Yorta country we care passionately for our Ancestors and the country
- A quality job is done everytime
- We can bring guidance and knowledge for work being done at highly sensitive sites.
- Provide a unique workforce/industry skills and career development
- Stable employment through YYNAC
- Role model business and employees

Our Services

We operate as a stand-alone crew for hire and with industry partners.

Biodiversity Restoration

- Bush – park regeneration
- Biodiversity corridors works – fencing weed control and site preparation
- Protection and rehabilitation works
- General landscaping and maintenance

Pests, Plants and Animals

Threatened species protection; management of feral animals and pests i.e. fox baiting, cat trapping and weed control.

Monitoring

- Monitoring threatened flora and fauna habitat mapping and protection
- Infrastructure
- Fencing, tourism/visitor needs i.e. maintain signage, boardwalks; general farm/land management support; river water health on-ground services
